

Dust Cap PE

AIR MANAGEMENT SYSTEMS

Product Description

DEC Dust Caps (PE Material)

DEC offers a range of **dust caps** made from durable **PE (polyethylene)** material, available in the following diameters:

- Ø063 mm
- Ø075 mm
- Ø090 mm
- Ø100 mm
- Ø125 mm

These dust caps are compatible with the **SMOOTHDEC®** CO1 and CO3, **Plenum connector 90°**, PE ductwork and spiral ductwork, providing effective hygienic, avoiding building dust coming into the inside of the duct-work-installation in progress. As well as dust-avoiding protection of ductwork under any transport. During the completion of the duct-work-system the dust caps is removed. Each cap features **diameter marking on the backside** for easy identification.

Uses

- Dust cap with female
- Dust cap with male

Packaging: **5 pieces per plastic bag.**
